Corporate Experience

Strategic, Operational & Tactical Support

- Supports the U.S. Air Force at Langley AFB's Air Operations Squadron by coordinating the delivery of 200–300 aircraft monthly worldwide for the Department of War (DoW) and partner nations.
- Over 10 years of support to the U.S. Air Force, providing unmatched wargaming simulation, training, and experimentation capabilities, consistently earning Excellent CPARS ratings.
- Supported Combat Air Force (CAF) fighter squadrons and Air Combat Command (ACC), delivering expertise in Scheduling, Training, Standardization/Evaluation, Mobility, Non-Aviation Program Support, and Weapons & Tactics.

Security & Law Enforcement Operations

- Delivered tailored law enforcement training and security advisory services to U.S. Government clients and international partners, focusing on capacity building, civil-military relations, and security sector reform.
- Executed international security operations supporting high-risk / high-threat environments such as Somalia with vetted, trained, qualified personnel and robust operational oversight and reporting.
- Executed Task Orders in support of the Global Peace Operations Initiative (GPOI) for the U.S. Department of State, Bureau of Political-Military Affairs, providing training and logistics services to support peace operations training and capacity building in Togo, Africa.

Training & Instructional Design

- Provided Instructional Systems Design (ISD), multimedia development, and eLearning support for over 30 training courses, deploying teams that included ISD Specialists, eLearning Developers, Psychometricians, and Technical Writers.

- Delivered over nine years of English Language Training (ELT) at King Abdulaziz Air Base (KAAB), Saudi Arabia. BlueForce's program and instructional expertise consistently exceed customer expectations—graduating an average of 49 students per quarter against a target of 25, achieving a 196% success rate.

Program & Project Management

- Executed program oversight, staffing, and compliance across multiple contracts and task orders globally through a decentralized operational approach with centralized accountability, led by a PMP-certified Program Manager.
- Provided programmatic, administrative, and logistical support to deliver logistics training in Ghana.
- Supported the Department of the Air Force by providing sustainment, operations, and maintenance support for the Aircraft Delivery Information System (ADIS) and Coronet Air Refueling Planner (CARP) software applications.

Governance & Advisory Services

- Supported the U.S. Department of State's Counterterrorism Bureau (CT) by providing Counterterrorism Advisors across five sub-Saharan African countries, strengthening programs and functions in designated U.S. embassies.
- Provided Subject Matter Experts (SMEs) supporting the Bureau of International Narcotics and Law Enforcement Affairs (INL) in the United States and more than 20 countries across Africa, Latin America, and the Middle East.
- Delivered advisory support to the Office of the U.S. Special Envoy to South Sudan and the Bureau of African Affairs, transforming South Sudan's Armed Forces and building capacity within the Ministry of Defense.

Global Experience

BlueForce has excelled across 46 countries, proving time and again to be a reliable provider of exceptional quality professional services, subject matter experts, and advice and mentorship at the most senior of levels. BlueForce understands what is required to fully execute the Program requirements in all locations outside the continental United States (OCONUS), including acquiring permits, residency visas and establishing local businesses to comply with host nation requirements.
